## *There's Magic Aboard The Big Red Boat*

Once on board, you'll see why we've won the coveted *Grand Prix Mondial du Voyage* for five consecutive years. Premier's fleet—the Atlantic, the Oceanic, and the Majestic—are more than just cruise ships. They're incredible floating family resorts.

For parents, there's romance all over again, with cabarets, casinos, nightclubs, movie theatres, informal piano bars and lounges, health clubs, swimming pools, whirlpools, exclusive boutiques, duty-free shops, and much more.

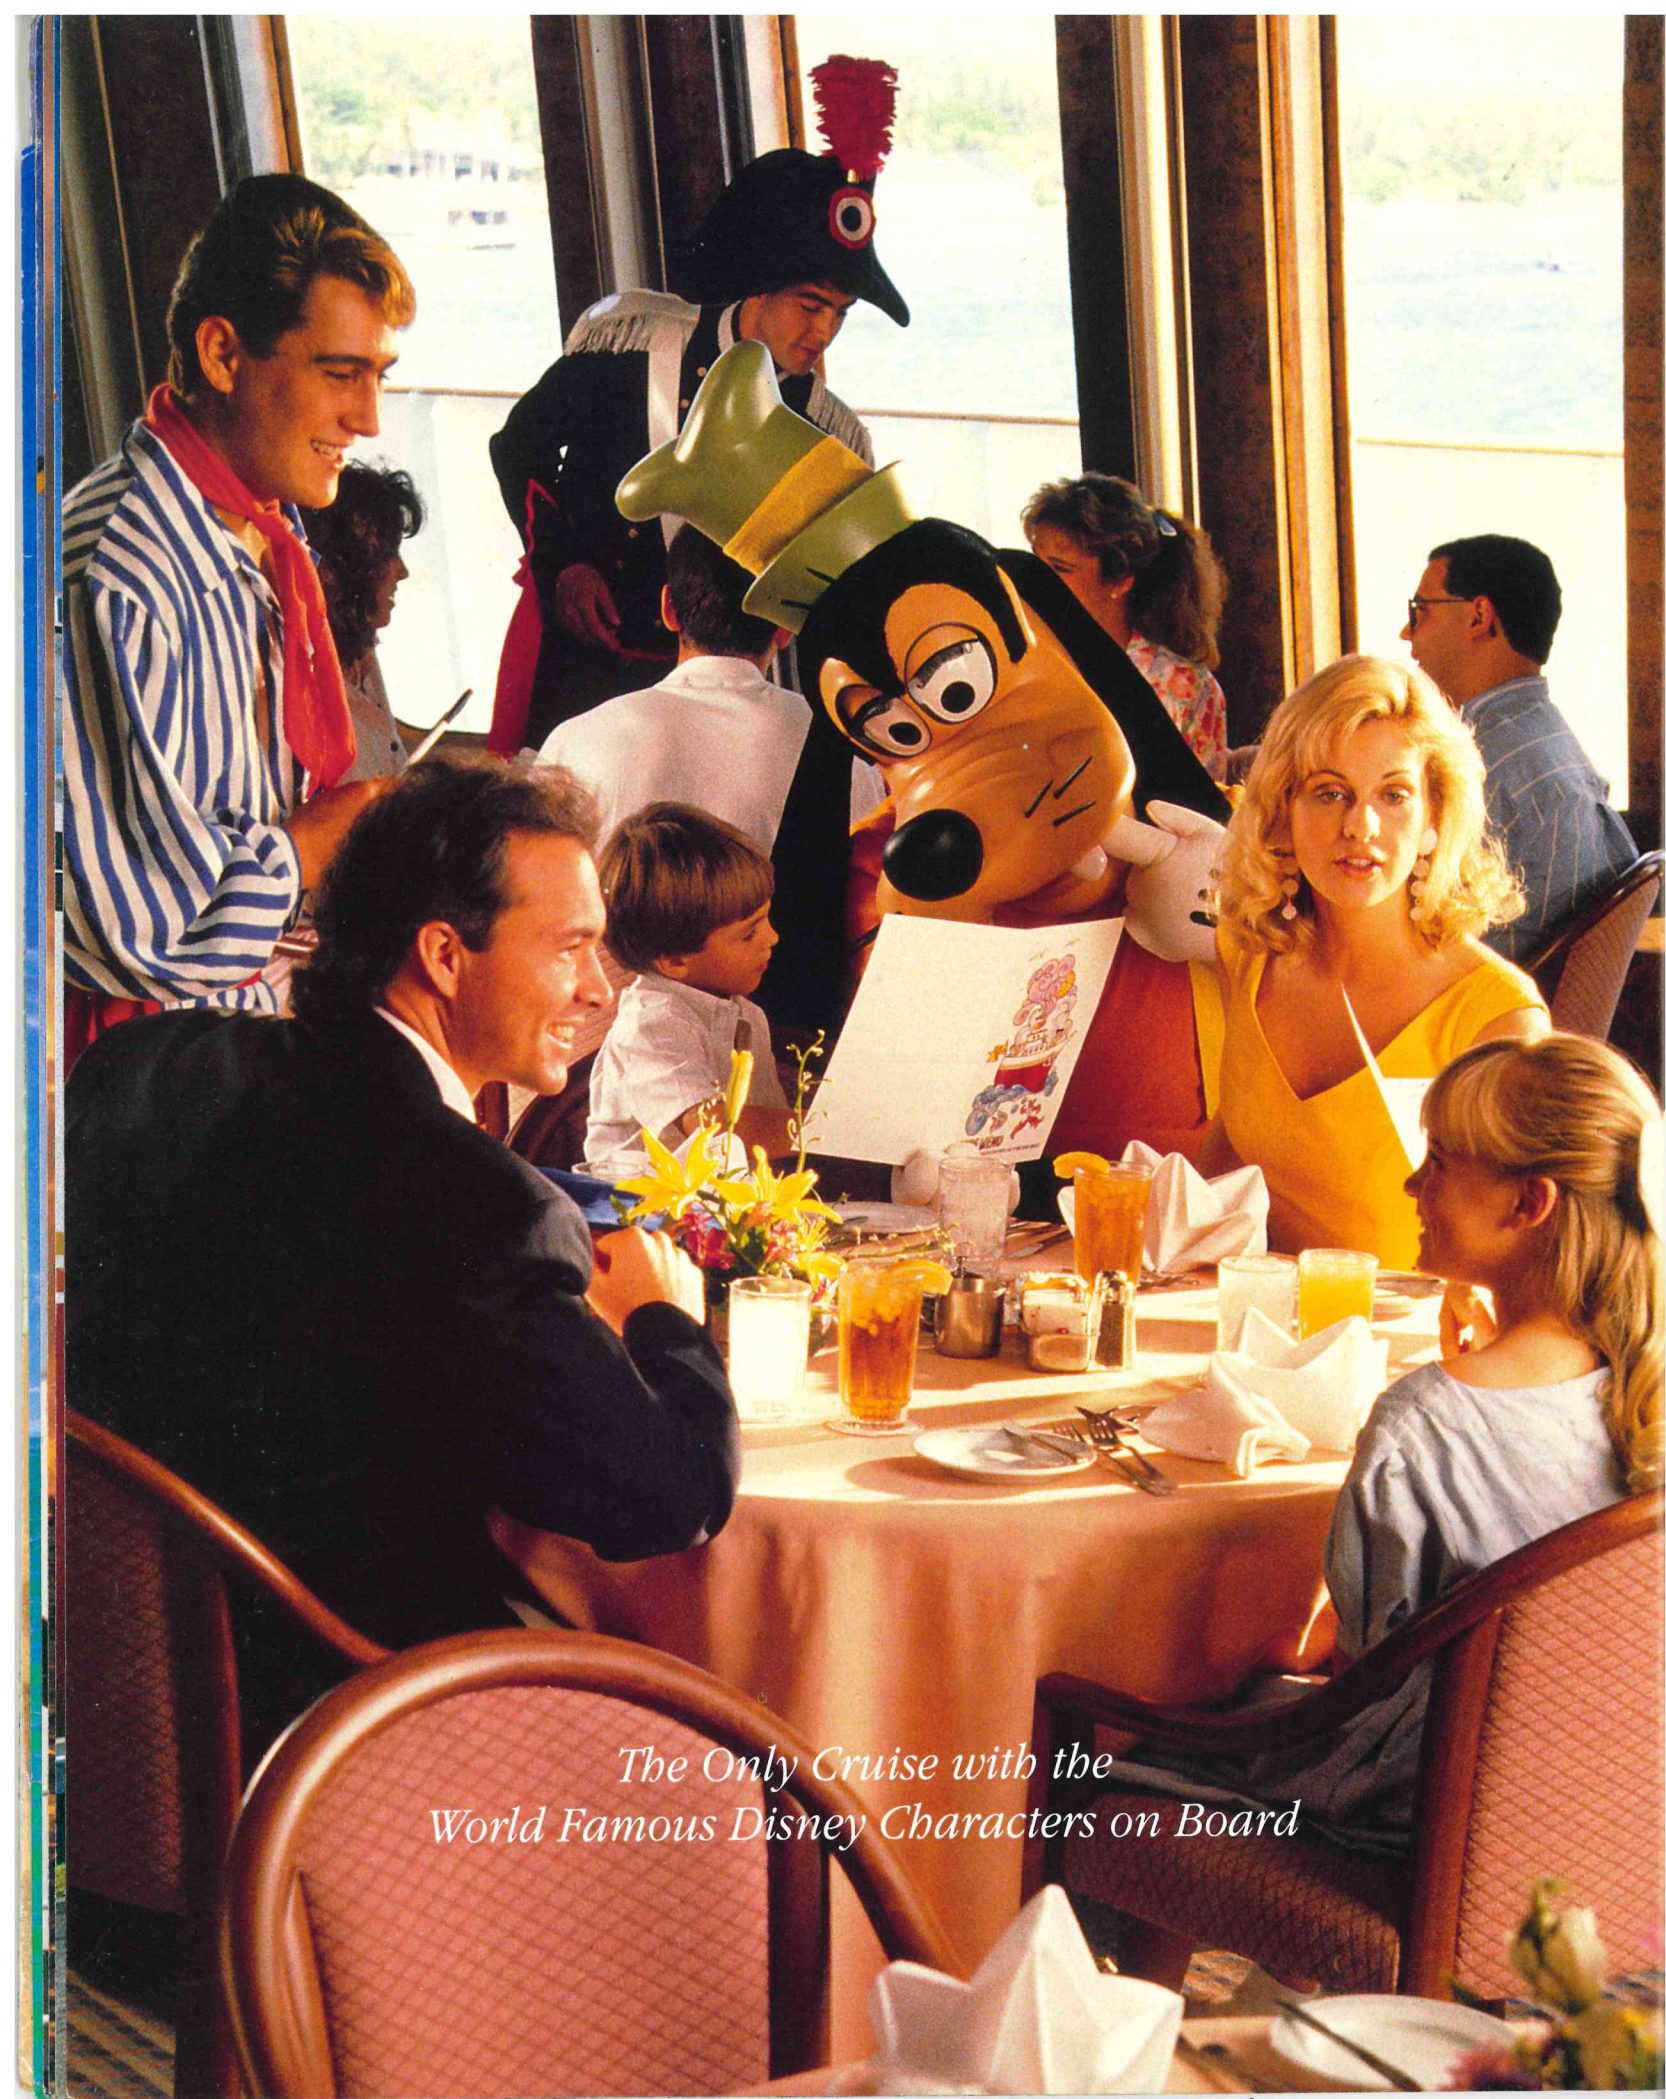

For kids, The Big Red Boat is a magical place, with their very own kids' recreation center, Teen Nite Club, state-of-the-art video arcade, supervised activities, special programs and lots of friends their own age to share in the excitement.

Of all the things that set The Big Red Boat apart, one is foremost: we're the only Official Cruise Line of Walt Disney World. So come aboard expecting all the magic, smiles, and attention to detail that have become the hallmark of Disney quality.

Families rarely get to experience a fantasy vacation like our Cruise and Disney Week. And you can imagine the magic The Big Red Boat holds for children. It's a whole new world to explore, and wide-eyed wonder is reflected in every young face on board.

*The Only Cruise with the  
World Famous Disney Characters on Board*

For kids, The Big Red Boat is more than just a vacation. It's a once-in-a-lifetime experience. They're surrounded by new sights, playing with new friends and doing things they've only dreamed of.

*We Make Sure Kids Have the Time of Their Lives with Programs All Their Own, All Day, All Year.*

While some cruise lines allow children on board, we welcome them. With their own kids' menus, their own pools, playrooms, ice-cream parlors, video arcades, and more. While some cruise lines offer limited children's programs, only The Big Red Boat offers programs for kids 2 and up, all day, all year.

*On The Big Red Boat, your kids meet some very special friends. Like Donald or Goofy or Chip n' Dale or Pluto. Maybe even Mickey or Minnie! Aboard the Official Cruise Line of Walt Disney World, the Disney characters pop up in some quite unexpected places! There's even a special Unbirthday Party, where kids can develop warm friendships, and mom and dad can capture the moment on film.*

Your children will also make fast friends with kids their own age. There are four separate programs of kids' activities divided by age group, so little ones play with little ones, and bigger kids have their own agenda. And no matter how

old, kids experience a closeness with friends and family that can't be found on any other vacation.

Our programs are staffed by professionally trained youth counselors that don't just look after, but entertain, teach and interact with kids. As our counselors lead your child in activities like "Mousercise" classes and arts and crafts, it's comforting to know they're in hands as caring and conscientious as your own.

There are so many things to delight a child on The Big Red Boat. So many experiences that become the fondest of

memories. Our kids' programs make sure that there is always something to do, and always friends to do it with.

We recently received the On Board Service Award for excellent

children's programs. The award cited the outstanding quality of our children's facilities, activities and services. Our family program is the only program in the cruise industry to receive this special award.

Every kid aboard The Big Red Boat receives his or her own daily activities sheet for making personal, independent choices. All ages engage in unique activities, like making a special visit to the Captain's bridge. And everyone loves being a guest of honor at a special party with the Disney characters, music, picture taking, and lots of laughs.

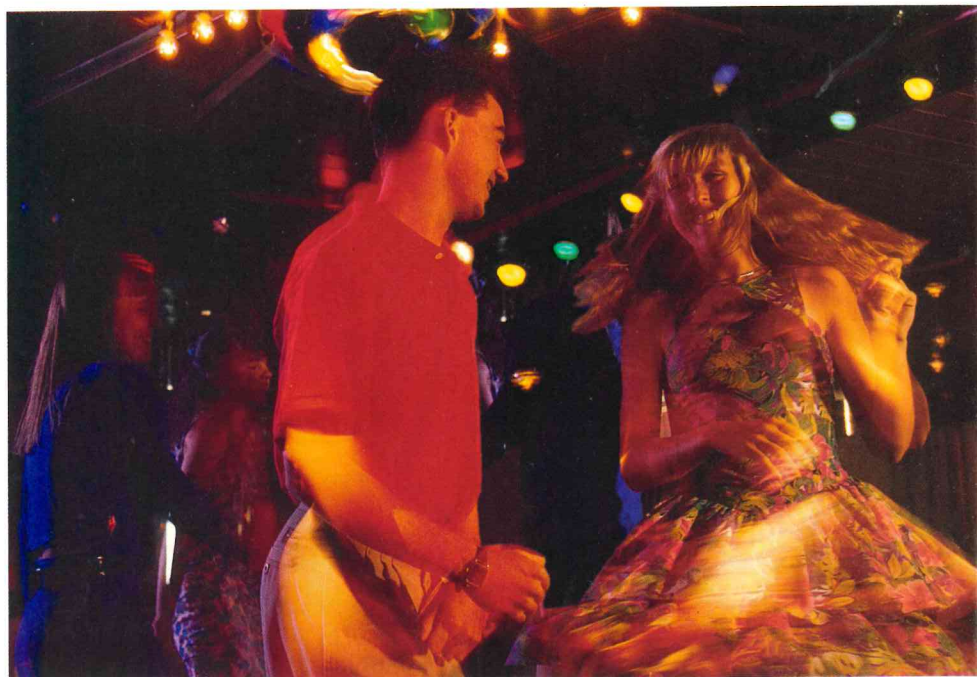

There are also lots of activities especially created for each individual age group. Our youth counselors design planned events for every age, every day, until 10 p.m. year round. And group babysitting is available for a nominal fee in the evenings for kids 2 and older.

### First Mates

*Kids aged 2-4.*

Our First Mates and Kids' Call groups share their very own club, Pluto's Playhouse, with a kiddie pool, slides and play equipment. Our youth counselors also nurture young imaginations by reading stories, singing songs, and helping with "artistic expression."

*Children 5-7.*

What child hasn't dreamed of being a pirate? Our Kids' Call and First Mates children actually get to live out that fantasy, as they go on a real treasure hunt on a deserted island. They can learn about the wonders of the sea in our "Guppies" program! They also dance to their favorite music at a special party with the Disney characters, and have a full spectrum of toys, games and equipment.

*8-12 year-olds.*

Don't be surprised to see our Starcruisers exploring the ship fore and aft. It's all part of our "Scavenger Quest" and "Shipmates Signature Search." Not only do the kids uncover the odd and the unusual, they find new friends. Our Starcruisers also love our "Nintendo Sports Challenge." Along with the beeps, bings and buzzes, you'll hear plenty of laughter, too.

*13 and up.*

The Premier magic touches everyone, and that includes our teen-aged guests. Aside from their own roster of special daily activities, The Big Red Boat is packed with diversions and discoveries for every teen. An exclusive Teen Nite Club is the ideal hangout, a place to spend time with friends and even make new ones. Our theatres feature first-run movie hits. Water sports, like windsurfing, and our "Splashdown" snorkeling program are always favorites.

On The Big Red Boat, kids feel as if they were on their very own vacation, not just taken along on someone else's. And that makes the entire family's vacation that much more special. Parents can capture all the romance and magic of the cruise experience, yet still have the pleasure of being together as a family. And isn't that what taking a vacation is all about?

*"Kids' Quarters"<sup>SM</sup>:  
Affordable Privacy  
for Parents*

Premier was the first cruise line to create accommodations specifically designed for families. Our 4- and 5-berth staterooms mean families with kids can afford to cruise together comfortably and economically.

Now we're proud to announce another innovation. "Kids' Quarters." When you travel with kids 17 or under, you can purchase a second stateroom for your kids at far less than the regular rate. So while you share in the excitement of The Big Red Boat together, you still get all the peace and quiet you need. And they get a place they can call their own.

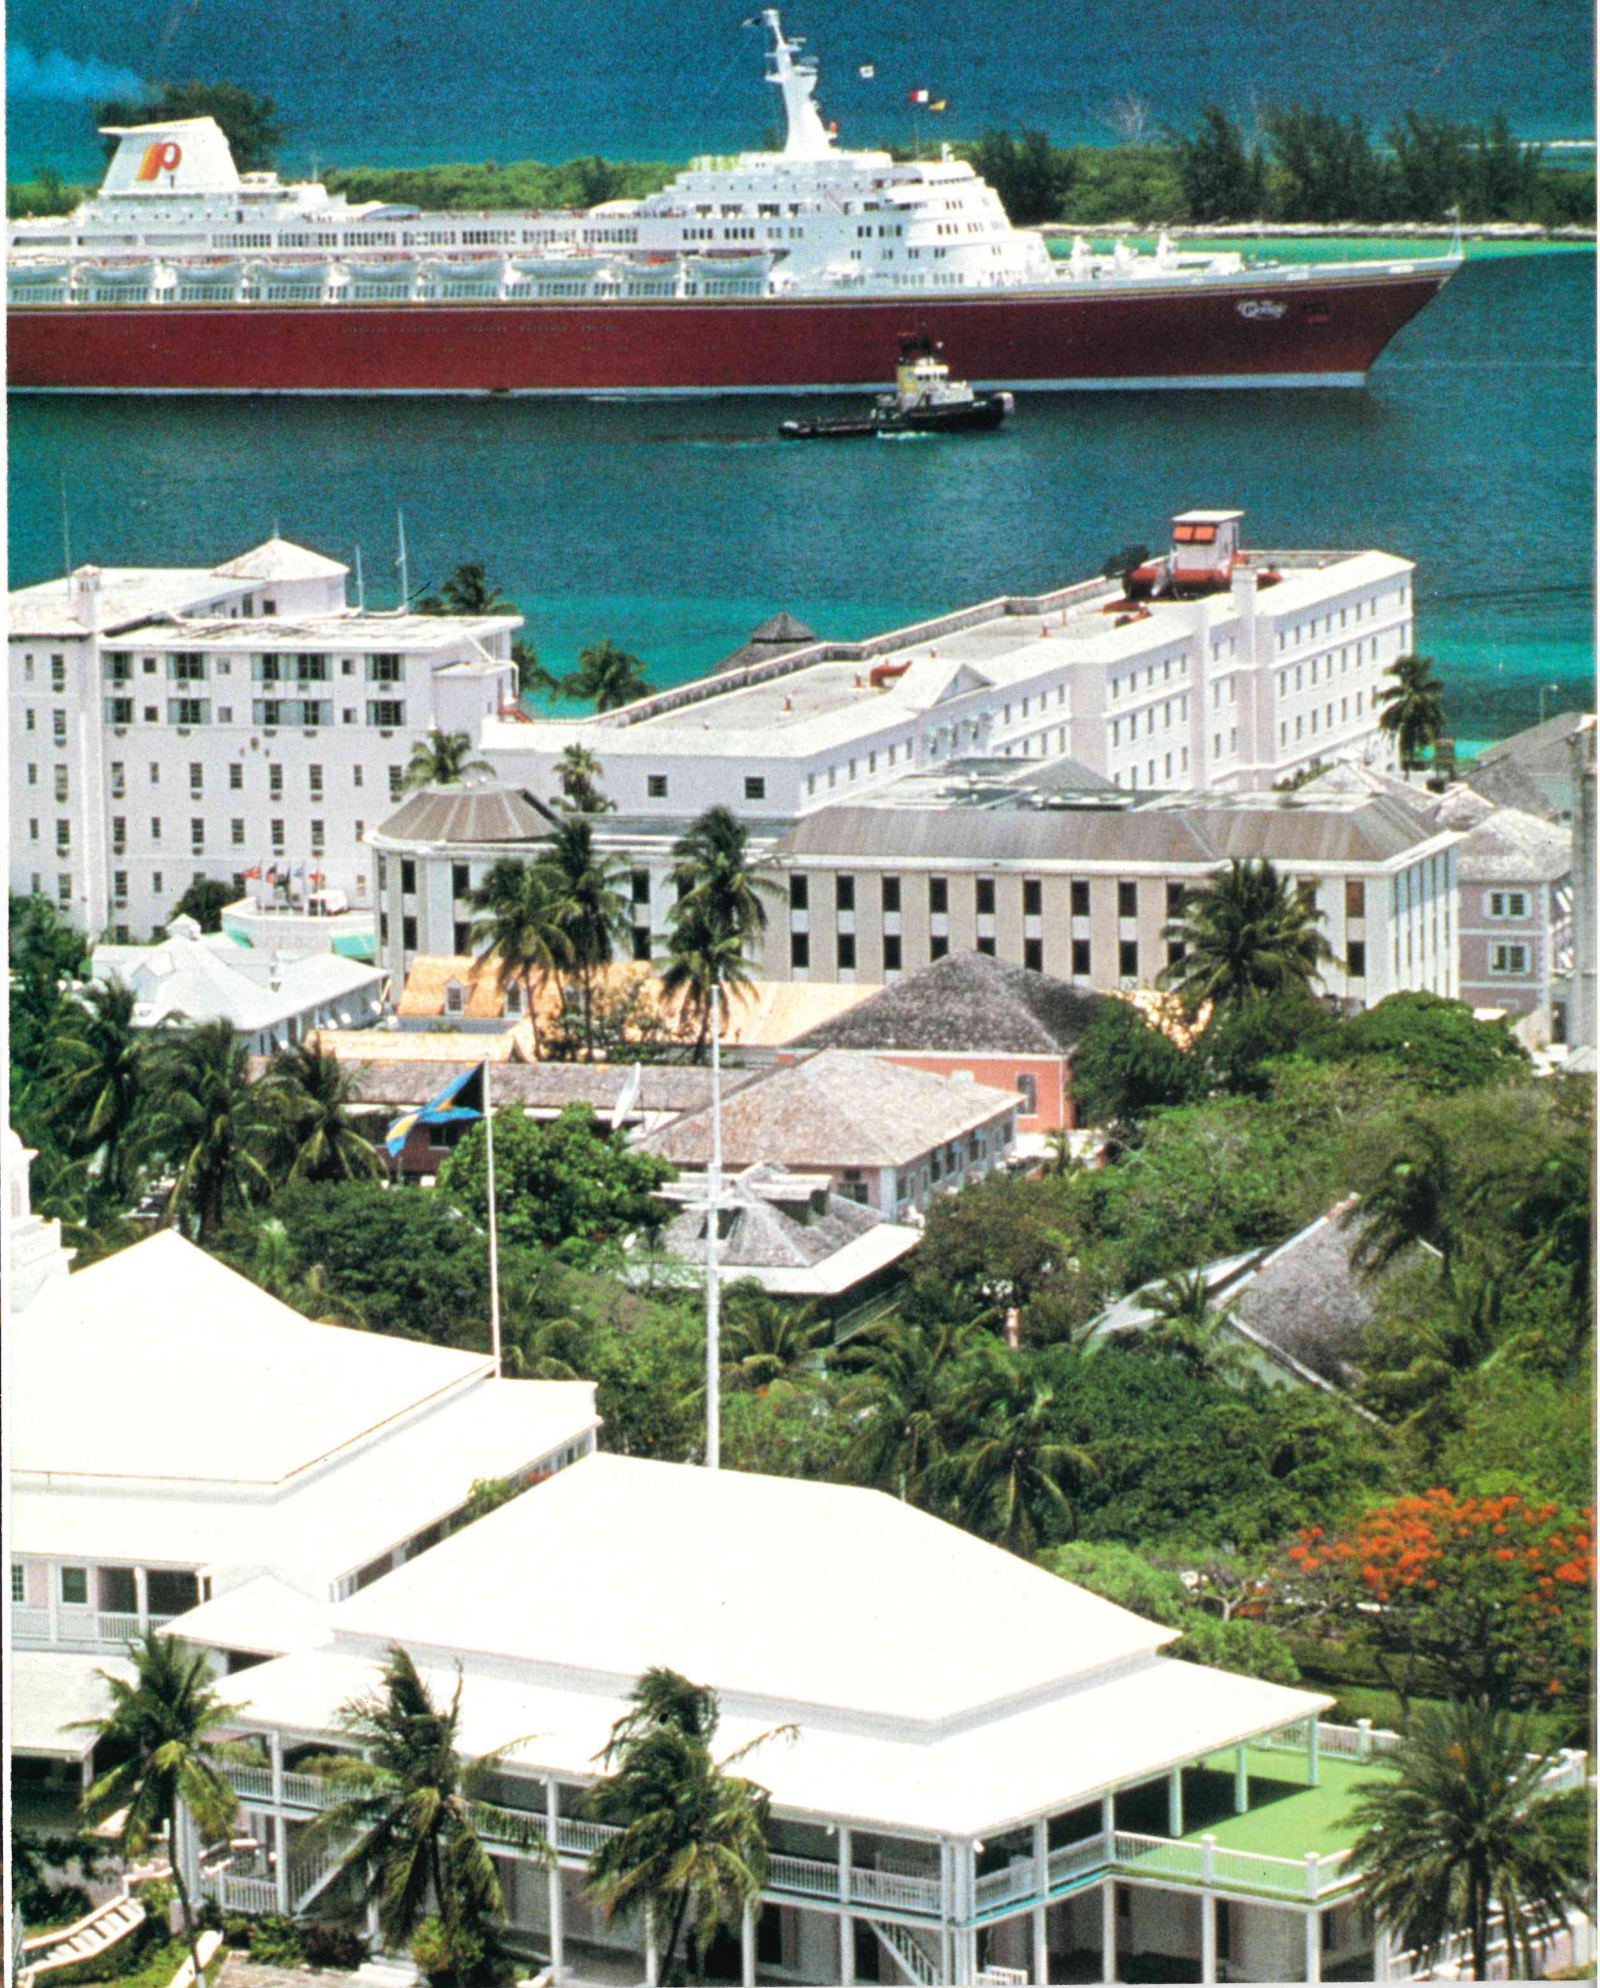

*The First Single-Parent  
Plan in the  
Travel Industry*

Premier makes it easy and economical for single-parent families to experience the magic of The Big Red Boat, with the first single-parent family plan in vacation travel. For the cruise portion of your Cruise and Disney Week, single parents can sail at the regular fare and bring children 17 and under sharing the same cabin at the low 3rd, 4th and 5th person rates. For single parents looking to spend a magical vacation week with the kids, our Single-Parent Plan is the ideal family escape. And it's a program you won't find with any other cruise line.

*Mid-day on The Big Red Boat finds you slipping into Nassau harbor. The cradle of the Caribbean and the dazzling capital of the Bahamas. It's an exotic lesson in history and geography...a place where the buildings are pink and horse-drawn carriages line the streets.*

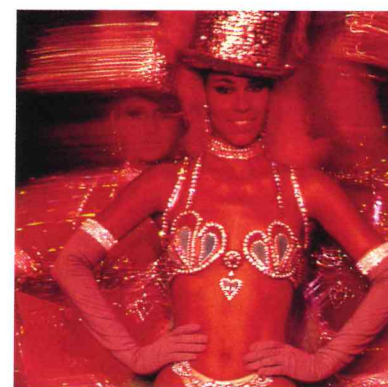

## Our Nassau and Exclusive Salt Cay Cruise

Once a proud British colony, Nassau offers a wealth of cultural and recreational activities for the whole family.

By day, the streets of Nassau are busy with excitement.

Shoppers can find everything from jewelry and perfumes to the colorful native crafts found in the world's largest Straw Market. Here, little girls can have their hair braided like island princesses, and little boys can pick out their very own authentic island straw hat.

Horse-drawn carriages offer a lazy, shady way to explore Nassau's out-of-the-way places and stately English architecture. Taxis and minibuses let you discover the entire island. The whole family will be fascinated by Nassau's people, and taken with its tropical island flavor.

By night, Nassau celebrates the exotic and revels in the extravagant. Crystal-chandeliered casinos, gambling parlours, and Las Vegas-style revues keep guests entertained all night long. And at the end of the evening, as you make your way back to historic Prince George's Wharf, The Big Red Boat awaits with our exclusive "Insomnia Service," a late-night repast that includes French Onion Soup and omelettes freshly made-to-order. It's the kind of touch that makes The Big Red Boat much more than special.

## *Salt Cay. Our Very Own Family Paradise*

*After the entertainment and excitement of Nassau, The Big Red Boat spirits you and your family away to a place where life moves at a different pace.*

*Uninhabited Salt Cay, with its powdery-white sands and amazing azure waters, is a tropical island paradise, where families can spend time splashing, sunning, and funning together.*

A double-decker launch, alive with the sounds of a calypso band, takes you from The Big Red Boat to Salt Cay, which you may just recognize as the setting for "Gilligan's Island," and more recently, the Touchstone movie "Splash." But rumor has it that Salt Cay once harbored a band of pirates! At the mouth of the island's palm-fringed lagoon, children still marvel at the old stone "pirate tower" and cannon that protected this secluded stronghold.

### *The Big Red Boat Even Pampers You in Paradise*

Once ashore, your Big Red Boat staff hands you a big beach towel and sends you off to sample everything, or nothing at all. In the crystal calm waters of the lagoon, the whole family can indulge in pedalboating, sun canoeing, shell hunting or tubing.

Pick-up basketball and beach volleyball games are the perfect prelude to a refreshing swim. Leave your footprints along the five sugary beaches that ring the island. Discover dramatic coral cliffs and perhaps a private cove. Or simply soak up the

sun in one of the breezy hammocks strung between the island's swaying palms.

The kids venture off on a treasure hunt, in search of their missing cruise director, who's been kidnapped by angry "pirates."

At noon, another band lifts you with rhythms of the islands, and the chefs of The Big Red Boat whip up a traditional Bahamas barbecue, with char-grilled chicken, burgers, tropical fruit and all the trimmings.

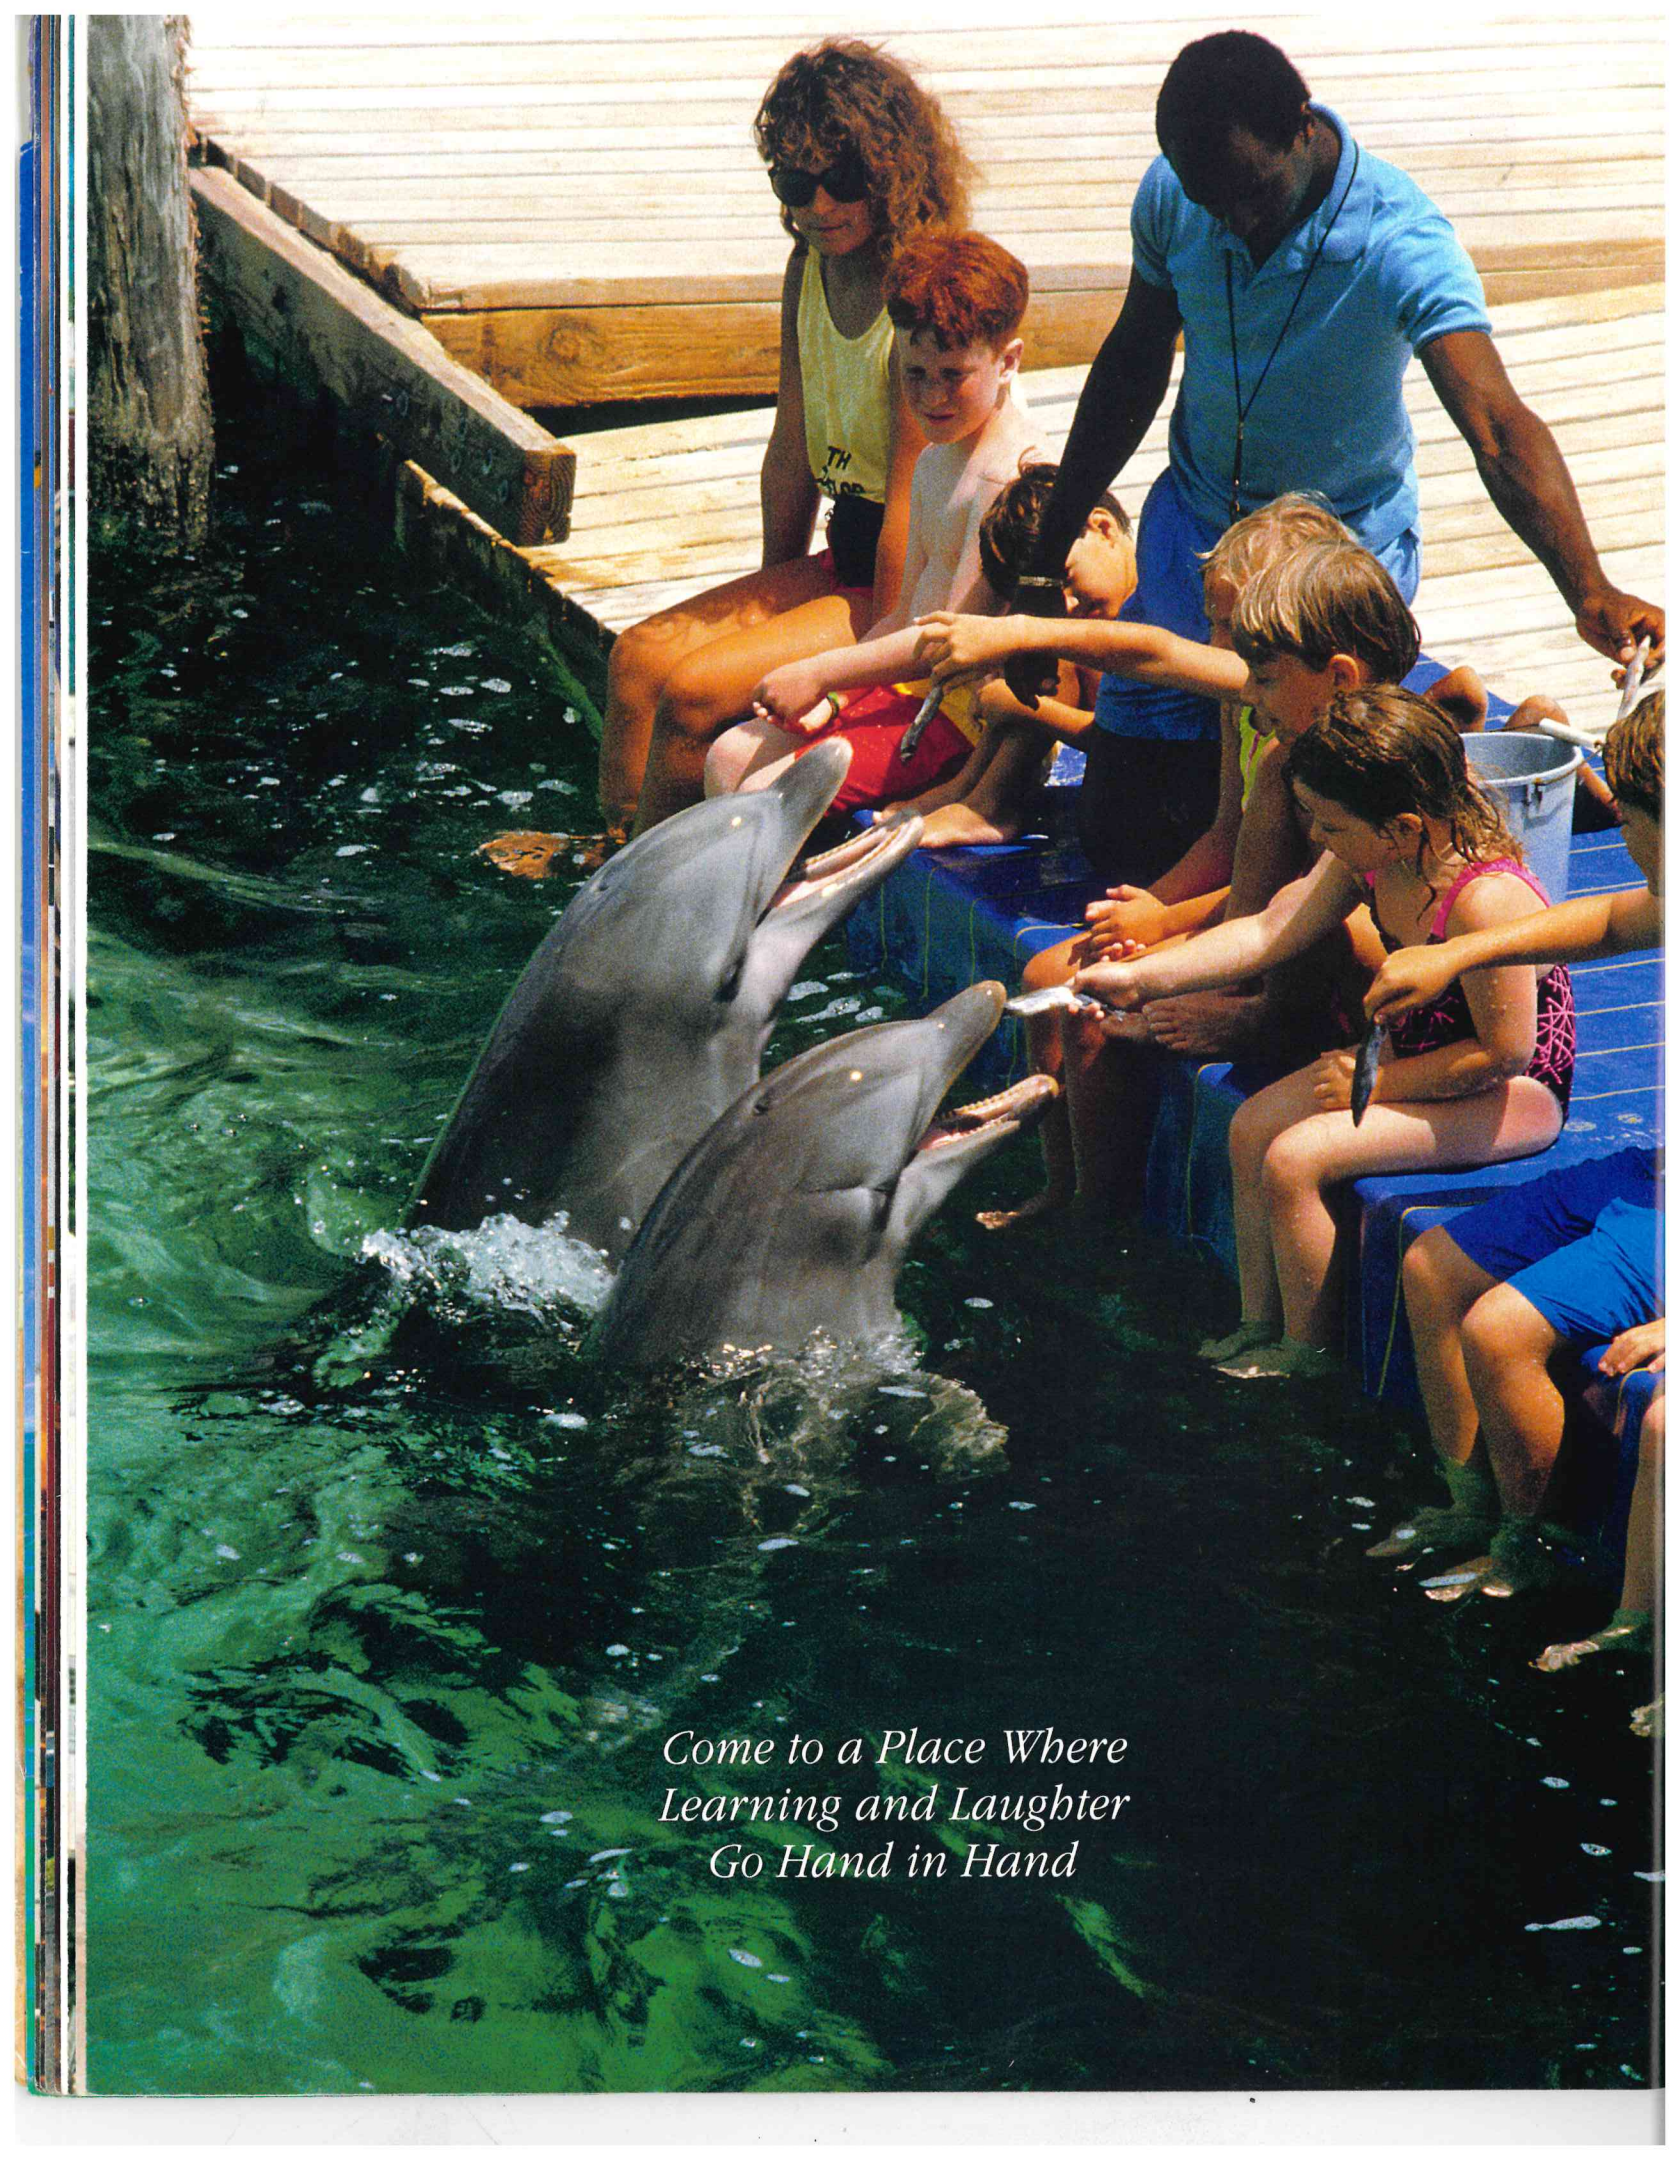

After lunch, it's off to discover another world in the crystal clear, warm waters of the Caribbean. Premier offers "Splashdown," our easy-to-learn snorkeling program that's become a hit with all ages, especially teens. Imagine the delight of your children as you lead them through schools of brilliantly colored fish and delicate coral gardens for the very first time. It's a world as enchanting as the island above, and an experience you'll both treasure.

"Splashdown" can even provide you with an underwater camera to make every moment memorable. See page 49 for details.

As the sun sinks toward the sea, you head back to The Big Red Boat, again accompanied by an authentic island band. Hearts are warmed with the spirit of togetherness. Faces glow from the sun and young eyes light up with the happiness only a day in paradise, and on The Big Red Boat, can bring.

*Come to a Place Where  
Learning and Laughter  
Go Hand in Hand*

*No Other Place in the World Compares to the Abacos Out Islands.  
And No Other Cruise Line Can Take You There.*

*Life has changed little in the islands over the centuries. But today, the Abacos Out Islands of the Bahamas are among the most undisturbed, pristine vacation destinations in the world. That's why we call this exclusive cruise to these magical islands "Abacadabra!"<sup>SM</sup>*

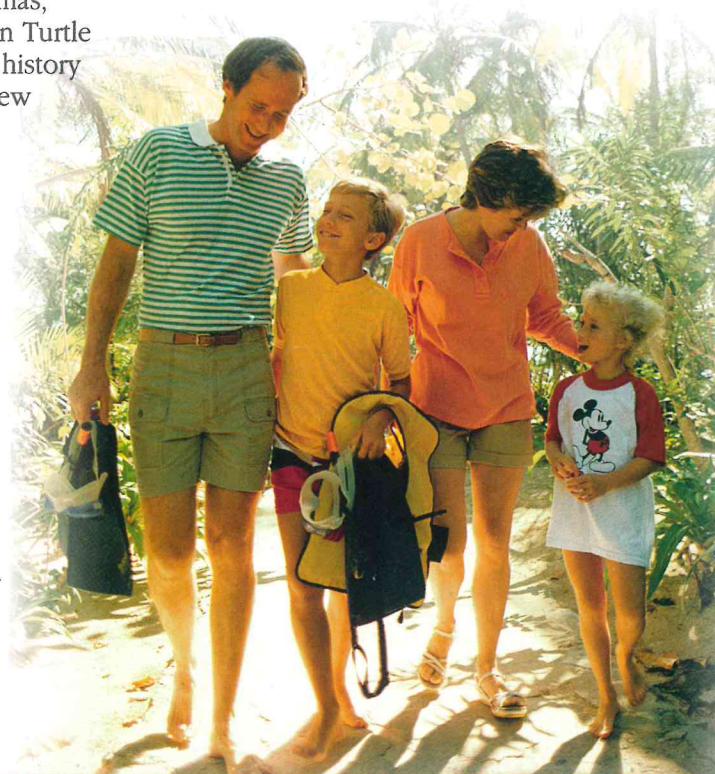

Some 200 years ago, after the American Revolution, loyalists from New York and the Carolinas came to the Abacos. Living off the gifts of the sea, they became skilled fishermen, boat craftsmen and builders. The island's museum is also a favorite stop. But the real charm of Green Turtle is its people. Everywhere you turn, you'll find a friendly face and a quick smile.

### *Green Turtle Cay*

Once one of the largest settlements in the Bahamas, New Plymouth on Green Turtle Cay is filled with a rich history and the charm of old New England. Behind white-washed picket fences stand quaint shops and clapboard houses of every pastel shade. Kids can still squeeze into the one-cell colonial jail and have their picture taken behind bars!

Then, let them discover a little island history. In New Plymouth's sculpture garden, statues of the island's forefathers reveal a rich heritage.

## Man-O-War Cay

You and your kids can actually watch local craftsmen build the traditional craft of the island, the Abaco

Dinghy, by hand, as they have for over five generations. It's an education in the old ways, as fascinating to watch as the people themselves, and part of this island's unhurried ambience. Founded by seafarers, Man-O-War Cay still thrives on tradition and a healthy Puritan ethic that dates back to the early centuries. It's all part of the island's undeniable Old World charm.

## Great Guana Cay

A five-minute ride brings you to the pier at Great Guana Cay, where you're greeted by our unofficial hosts of the island, our spirited dolphins Bahama Mama and Princess. This friendly pair makes for an unforgettable childhood encounter. Not only do they delight and fascinate all ages, but our professional staff helps to teach the whole family about these wonderful creatures and their fragile environment.

The island is ringed with the finest powdery beaches in all the Bahamas, where you have your choice of sailing, windsurfing, swimming, pedal-boating or tubing. Across the island, (a fifteen-minute walk, or even quicker tram ride) through pine forests and gentle sand dunes, you'll find a snorkeler's paradise, and our exclusive "Splashdown" snorkeling program. There's even our special "Guppies" program for kids 9 and under. Everything your family needs to explore Great Guana Cay, above the water and below, is available from The Big Red Boat.

For teens, there's badminton, basketball, volleyball and Ping-Pong. "Captain Kid's Cove" is chock-full of great activities especially created for our young guests. If sunning is more your speed, simply stretch out in a rope hammock beneath the palms, and enjoy our day-long party with live music and a Bahamas barbecue. There's even an island market where you can browse for beachwear, jewelry, handwoven straw hats and bags, and authentic Bahamian gifts.

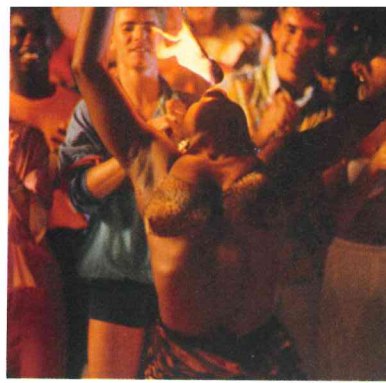

Great Guana is perhaps the most stunning, idyllic spot in all the Bahamas. A tropical island paradise for the whole family to discover and explore together. You may even find that the nicest thing about the island is just being a family.

## Treasure Cay

If teeing up for a round of golf or serving up a couple of sets of tennis is your idea of how to complement the ideal family vacation, Treasure Cay is the place. (Tennis and golf are available for a nominal fee). The island is also home to sleek cruising yachts and the finest game fishing waters in the world.

## Sunset Means The Big Red Boat's "Buccaneer Bash"™

It's just after dinner. The sun has set. Time for...Captain Hook, Mr. Smee and their band of buccaneers! Your launch hoists the Jolly Roger and

you're pirated away for a rum punch party, then to Great Guana's moonlit beach for a night of family fun and fantasy.

On shore, pirates lead you to a torchlit stage, where children and grownups alike get a taste of a true Bahamian Festival.

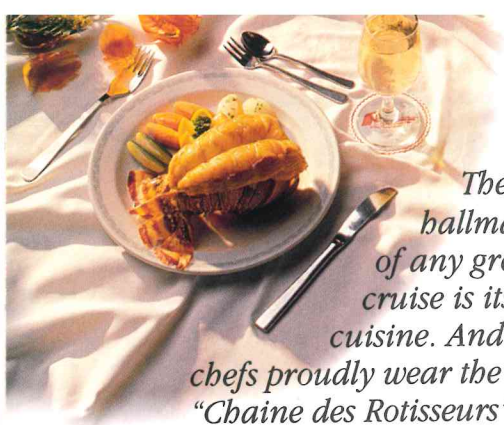

Fire-eaters, limbo dancers and Junkanoo musicians light up the night. Island rhythms invite you to dance under swaying palms. Or steal away for a moonlit walk on your own private beach. Then The Big Red Boat presents a special midnight buffet on the beach with a treasure of island specialties.

Young or old, The Big Red Boat's "Buccaneer Bash" is a magical evening of island enchantment the whole family will remember. And it's only on The Big Red Boat's Abacadabra! cruise.

*The hallmark of any great cruise is its cuisine. And our chefs proudly wear the "Chaine des Rotisseurs",*

An elaborate spread of standing Rib Roast, carved-to-order, fresh homemade pasta salads, succulent tropical fruits and much more.

Dining at sea is both elegant and casual. Come as you are for informal family breakfasts and lunches in the dining room. Or soak up the sun at our poolside

For kids, we offer a special children's menu filled with healthful favorites. Because we know not everyone likes escargot. And our staff makes every effort to put kids at ease and show them a good time.

As the clock strikes midnight, The Big Red Boat presents our Midnight Buffet. A feast of

*When night falls on The Big Red Boat, our cabarets and casinos come alive with entertainment for the whole family.*

folly of guest participation parties.

On board the Atlantic and Oceanic, you'll be a part of the magic as superstars like Dolly Parton, Elvis Presley and Tina Turner appear live each night. Well, you'll *think* they're the real stars, as Las Vegas' own award-winning "Legends in Concert" take the stage.

It's a fabulous tribute to your favorite superstars, and an

unbelievable family musical extravaganza! Totally unprecedented in the cruise industry.

Aboard the Majestic, you can celebrate the early days of rock n' roll and twist the night away with our '50s musical revue. One night you'll even be pirated away for our fantasy-filled "Buccaneer Bash" on Great Guana's moonlit beach. It's a true Bahamian Festival, complete with fire-eaters, limbo dancers and Junkanoo musicians.

And every night at sea, on every Big Red Boat, you can check out the latest feature films in our spacious theatres. After the show, dance in the ship's disco, relax in your choice of several more intimate lounges, or take a stroll under the stars.

While you're having fun, remember there's special entertainment and programs for the kids, too. They can catch their favorite Disney movies, attend a "Coketail Party," be dazzled by magicians, or even dance the night away with their own DJ.

Only The Big Red Boat can keep the entire family entertained in such grand style.

*favorite Disney characters. Every year, there's more to see and do. So set sail with the Official Cruise Line of Walt Disney World and enjoy the world's most famous family vacation destination.*

We'll provide you with Walt Disney World admissions for the whole family to the Magic Kingdom Park, EPCOT Center and the new Disney-MGM Studios Theme Park during your 3- or 4-day stay.

Plus, you'll stay at one of the renowned Vacation Kingdom resorts or an Orlando-area hotel.

You'll also want to visit our neighbor, NASA's famous Spaceport USA at Kennedy Space Center. It's on the way, just minutes from The Big Red Boat. You'll receive admission and a guided tour of an actual Space Shuttle launch site.

## *The Magic Kingdom Park!*

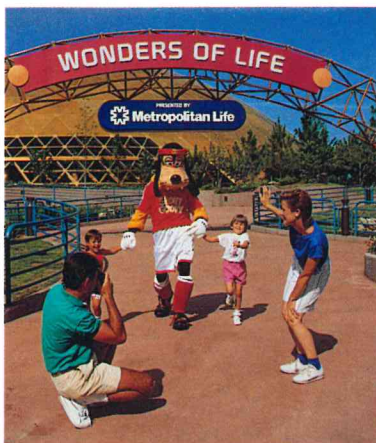

For many, the Magic Kingdom Park is the heart of the Walt Disney World Resort. As you walk down **Main Street USA**, you might see Mickey and all his friends. And follow the parade and marching bands right to the fabled **Cinderella Castle**. Then it's on to **Fantasyland, Adventureland, Frontierland, Tomorrowland**

and the newest addition, **Mickey's Starland**.

Adventureland is home of thrilling attractions including: **Pirates of the Caribbean** and the mysterious **Jungle Cruise**. In Liberty Square, you'll find **The Hall of Presidents**, where incredibly lifelike animatronics figures recount our country's heritage.

And **The Haunted Mansion** will spook you with friendly ghosts and goblins.

At Tomorrowland, buckle up for the ride of your life—**Space Mountain's** wild ride through outer space.

## *EPCOT Center!*

An exciting combination of tomorrow's technological marvels, plus a trip around the world, all in one.

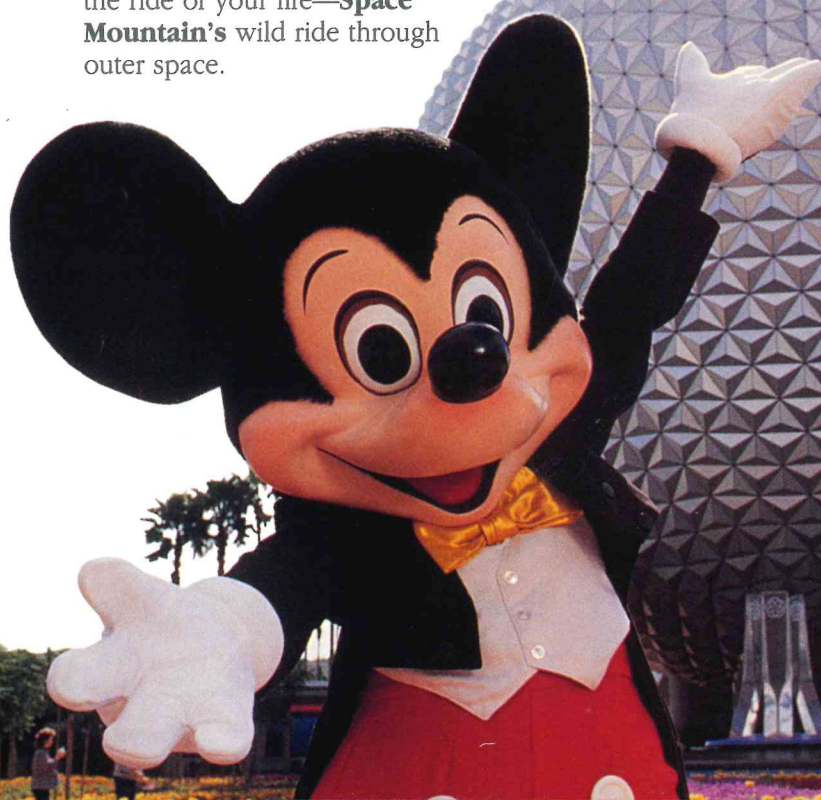

You begin your journey at **Spaceship Earth**, the giant gleaming geosphere that dominates the EPCOT Center landscape. Here, you'll travel through time from man's distant past to the wonders of the future. **Expo Robotics**, in **Future World**, features robots that look like they just stepped out of the 21st century.

At **Wonders of Life**, the newest EPCOT Center pavilion, the focus is on health and fitness. The main attraction here is **Body Wars**, an incredible ride through the inner workings of the human body. **Cranium Command** is a humorous multimedia show that illustrates how the brain interacts with the body's systems. And **The Making of Me** is a funny, yet touching film about the birth of a child and his family.

Then take a tour to the four corners of the world, in the **World Showcase**. Eleven different countries are represented around World Showcase Lagoon, and each features its own special landmarks, native foods, and gifts. At nightfall,

**"Illuminations"** lights up the lagoon with a light and sound-filled celebration.

### *The Disney-MGM Studios Theme Park!*

Imagination knows no limits in the newest addition to the Vacation Kingdom theme parks. The Disney-MGM Studios Theme Park features mind-boggling attractions and incredible journeys, like **Star Tours**, which takes you on a rocking, rolling, uproarious flight to the Moon of Endor with R2-D2 and C-3PO.

**The Indiana Jones Stunt Spectacular** is an action-packed live show that re-creates the death-defying heroics of classic adventure films through stunt demonstrations. And the **Backstage Studio Tour** shows you just what goes on during filming on the "backlot," as you watch actual productions being filmed.

Kids can be "star for a day" on one of America's favorite TV shows in **Superstar Television**, and get a first-hand look at how Disney animators bring their characters to life in the **Animation Theater**.

But the big news is what's new at the Disney-MGM Studios Theme Park! **"Here Come the Muppets!"** Kermit, Miss Piggy and all your Muppet friends are now starring in a sensational new stage production.

The **Great Movie Ride** lets you travel through the romance, laughter and heart-pounding action of Hollywood's most classic films.

And to commemorate the Golden Anniversary of Fantasia, Mickey stars in the new nightly gala fireworks show, **"Sorcery in the Sky."**

Stop by the **"Honey, I Shrunk the Kids" Adventure Zone**.

An oversized play area where kids see what it's like to be smaller than a blade of grass and knee-high to a bumblebee! It all adds up to new ways to have fun with the family.

### *It's All Yours with The Big Red Boat*

All of this, and much, much more is yours with The Big Red Boat. And this year there are two new attractions. The crazy, **"Typhoon Lagoon"** water theme park and Disney's new evening entertainment complex, **"Pleasure Island."** They do require separate admissions, but you and your family won't want to miss them. And if you find you want to explore even more of America's #1 vacation

destination, you can extend your stay at very special rates, especially for guests of The Big Red Boat. (See page 43.)

## Customize Your Cruise and Disney Week Vacation

The Big Red Boat knows that some families like to add a little more luxury to their vacations. So we offer a wide range of options that allow you to custom-design your Cruise and Disney Week.

Whether you're purchasing your vacation 6 months in advance or within 6 months, you can select a different Vacation Kingdom resort or Orlando-area hotel. Simply find your stateroom category on the chart below to determine the options and pricings best for you and your family.

For example, when you purchase a stateroom within 6 months, you may wish to change your accommodations (which appear in the 1st

column), to another Orlando-area hotel from the 2nd column, or Vacation Kingdom resort in column 3. Prices appear below each hotel group. Purchase 6 months in advance, and you can trade your Vacation Kingdom resort for a hotel in the next column.

You can also trade in your rental car for a roomier model, or even a family-sized minivan.

Our innovative Family Plan Combination allows families occupying more than one stateroom to trade in their two designated rental cars for one larger car. For example, Family Reunion guests can trade in their three cars for a luxury car or a minivan.

With The Big Red Boat, the way you spend your vacation is up to you.

To add extra days to your Cruise and Disney Week, see the charts on this page.

### Beach Bonus

The Big Red Boat is America's premier family vacation, but it's also one of America's best Honeymoon values, and a great place for singles to meet new friends. A cruise aboard The Big Red Boat isn't for families only. Kids have their own activities and play centers, so you have plenty of time to relax and simply...enjoy.

### *The Big Red Boat Takes Care of Honeymooners Like No One Else*

For honeymooners, The Big Red Boat's Cruise and Disney Week is two honeymoons in one. A romantic Caribbean cruise, plus a second honeymoon at the Walt Disney World Resort.

As you step aboard The Big Red Boat, you're greeted with a gift of chilled champagne in your cabin. You'll be guests of honor at a special cocktail party, where the Captain offers a special toast to your happiness. You'll receive your own "Honeymoon-at-Sea" certificate—a reminder of your time aboard The Big Red Boat. Then, for the rest of the week, it's the magic of the Vacation Kingdom, with everything taken care of by us, including hotel and rental car.

For just \$225 more, our Deluxe Honeymoon Week offers all the elegance of our regular honeymoon package, plus a luxury suite at your Orlando hotel, luxury rental car, two crystal wine glasses, fresh flowers, His and Hers Honeymoon T-shirts and a keepsake photo album. If you're only cruising, our Deluxe Honeymoon Package is \$125 and includes all the same amenities but a hotel and rental car.

### *Singles Sail in Style—Another Big Red Boat First*

If you're traveling alone, The Big Red Boat is the perfect place to get away and meet new people. And Premier realizes that singles often travel on a budget. So you can have a cabin all to yourself without paying twice the usual double

occupancy rate most other cruise lines charge.

Our low singles rates are available in Cabin Categories 1 through 8 on the Atlantic and Oceanic, and 1 through 7 on the Majestic. See page 35 for details.

### *Our Family Reunion Vacation*

Premier is the leader in creating magical family vacations. The very best at bringing people together as a family. But what about the rest of the clan? Aunts from Albuquerque, brothers from Boston, grandparents from Grand Rapids? There's no vacation for the *entire* family as magical as The Big Red Boat.

With a minimum of 10 people in three cabins, you'll receive a 10% discount on our Cruise and Disney Week or 3- or 4-day cruise fares. We'll arrange your family's dining, and at dinner your first night at sea, each cabin will be treated to a complimentary bottle of champagne. You'll receive a Family Reunion cake, a complimentary keepsake family photo, and a special toast at dinner by your maitre d'.

Young or old, whether your family experiences our Cruise and Disney Week or only cruises, The Big Red Boat will treat your family to a reunion that will last in memory for a lifetime.

## Our New Fly/Cruise Airfare Program: The Perfect Beginning to the Ultimate Family Vacation

Premier makes getting to the fun and fantasy of The Big Red Boat easy and affordable. That's because we've taken care of all the details that go into planning the ultimate family vacation. Such as including round-trip airfares in your all-inclusive vacation rates (some cities may have a small additional air add-on). Or by having a place all ready to tuck your kids into bed if you're flying in the night before your cruise.

By making sure everything goes smoothly, your family vacation will get off to a perfect start.

This attention to detail begins the moment you and your family step off the plane at the Orlando International Airport. There, a Premier representative is available to assist you on your way.

Once you arrive, pick up your rental car and drive to our Cruiseport at Port Canaveral or to your hotel, depending on how you've designed your Cruise & Disney Week Vacation.

If you're traveling from a city noted 1 or 2 in the chart below that requires you to arrive the

day before you set sail, we offer this pleasant surprise: The Big Red Boat will provide your family a Beach Bonus. Prior to your cruise, you'll spend a night at one of the Space Coast's oceanfront beach resorts and get an extra rental car day—free.

Should you choose to make your own air arrangements, simply deduct \$150 per person from the rates on page 35, for the first and second guests.

## Our Air-Inclusive Program For Cruise-Only Guests

To help our Cruise-Only guests start off right, round-trip air from most major cities to the airport is included in your vacation rate. Some cities may have a small additional air add-on. Just check the chart below for which cities require an additional fee. Once you arrive, you'll board an air-conditioned motorcoach or minibus to whisk you to The Big Red Boat. After your cruise, we'll take you back to the airport in the same style.

Should you choose to arrive a day early on your own, you can

purchase our Early Bird Bonus for only \$25 per person, double occupancy. This entitles you to one night at an Orlando airport hotel, transportation to the hotel, the ship and back to the airport. If you're traveling from a city noted 1 or 2 in the chart below that requires you to arrive the day prior to your cruise, our Early Bird Bonus is absolutely free.

One last detail—whether taking a Cruise & Disney Week Vacation or a 3- or 4-day cruise, *please remember to confirm your flight schedule 48 hours prior to departure with your ticketed air carrier.*

## General Information

Premier Cruise Lines' Fly/Cruise airline tickets are valid for round-trip economy air transportation originating and returning to one of the gateway cities listed and round-trip ground transportation between the airport and Cruiseport. Air seats are subject to capacity limitations and may not be available for all passengers.

Airline tickets will be issued 30 days prior to sailing or upon receipt of final payment, whichever is later. Airline tickets will be issued at lowest applicable airfare at time of issue. Rules and restrictions of ticketed air carrier will apply.

Flights on carriers of Premier Cruise Lines' choice may be nonstop, direct, or require a change of planes. Air transportation, including carrier, charter service, schedule, routing structure for day of/day prior travel, and arrival airport is subject to availability at time of ticketing. Premier Cruise Lines reserves the right to use air charter services and/or scheduled air carriers in any market where necessary. Actual flight schedules will not be available until tickets are issued.

Supplemental air costs apply to some cities.

Due to their proximity to Orlando and Port Canaveral, flights may arrive/depart from, but are not limited to, airports in Melbourne, Daytona Beach, or Tampa.

No changes are allowed to any booking with air 30 days or less prior to origination. Air carrier and flight schedules are subject to change and availability without notice and may necessitate changes for ticketed and unticketed passengers. Premier Cruise Lines reserves the right to revise or withdraw any gateway city and/or the applicable airfares in part or entirety without prior notice. Passengers affected by the change who have made final payment will be protected.

All air reservations will include any extra-day packages booked with Premier Cruise Lines. Air cannot be extended otherwise.

**Airport Assistance:** Premier Cruise Lines representatives are available at the Orlando International Airport to assist passengers on sailing days only from 8:00 a.m. to 4:00 p.m. PCL representatives will not be available on days other than sailing days or at other airport locations. Round-trip ground transportation instructions and/or directions to Port Canaveral will be in the Welcome Aboard information included in the cruise documents package.

**Voluntary Changes:** Airline tickets are subject to the rules and regulations of the applicable carrier. Voluntary changes made after tickets have been issued must be done through your travel consultant or directly with the airline. Additional costs and penalties of up to 100% of the ticket value may be charged and will be the passenger's responsibility. All travel must remain on our ticketed air carrier. Premier Cruise Lines accepts no responsibility for voluntary changes. Cancellations and no-shows can be assessed a 100% penalty. Airline tickets cannot be exchanged for a travel allowance once tickets have been issued.

**Seat Assignments:** Seat assignments and boarding passes must be obtained directly with the ticketed air carrier after tickets have been issued. Premier Cruise Lines is unable to provide confirmed seat assignments.

**Groups:** Certain gateways may be limited or may not be available for groups traveling together. Contact the Group Department for availability and terms from the gateway nearest you.
